

The Chair of Information Systems is looking for you as a **student assistant or research assistant!**

We are looking for several tutors for the upcoming **winter semester 2024/2025** for the courses: Information Management, E-Venture and SAP.

Event-related requirements

You are responsible for your tutorial group and prepare the tutorials independently on the basis of our exercise sheets.

1. **information management** (*winter semester 24/25*): Knowledge of ERM modelling & SQL. It would be an advantage if you already have some experience with a programming language, for example Python or VBA.
2. **E-Venture** (*WiSe 24/25 + SoSe 25*): Basic knowledge of HTML, CSS or PHP.
3. **SAP** (*winter semester 24/25 + summer semester 25*): Basic knowledge of SAP.

General requirements profile

- You have the ability to work both independently and as part of a team.
- You have good organisational skills and an analytical mindset.
- You are self-confident, committed and enjoy imparting knowledge.
- You have a good command of written and spoken German.

Further tasks

As part of your work as a SHK/WHF, you will help the chair with various activities:

- You will support the chair in its research projects (e.g. support with literature searches, data analyses, etc.).
- You will support the lecturer with course-related administrative and organisational tasks.

What we offer

- Recruitment as SHK/WHF.
- Joint development and preparation of tutorials.
- Paid preparation time for the tutorials.
- Introduction to scientific work - good preparation for your own Bachelor's or Master's thesis.
- Your own workplace at the Technical University of Dortmund.

Are you interested in becoming part of our team?

Then we look forward to receiving your application! Please submit your application with a short CV and overview of your grades by email by **8 July 2024**. Please also indicate which tutorials you are applying for.
